This programme is open to all serving teachers who are employed in a position funded by the Department of Education and Skills and who provide Learning Support and/or Resource Teaching in recognised Primary schools, Post-Primary schools, and other recognised Educational Services. Teachers serving in special schools and special classes are also eligible to apply. **The programme is designed specifically to assist teachers in meeting the learning and teaching needs of students requiring learning support and/or students with special educational needs. Potential applicants must therefore have a teaching role in relation to students requiring learning support and/or students with special educational needs.** Please refer to the circulars listed in Appendix 1 for information on the qualifications necessary for Learning Support/ Resource Teaching posts at Primary and Post-Primary levels and qualifications necessary to teach in Special Schools.

Please note that in order for teachers to be eligible to take up a place or continue on the course the necessary hours and facilities to enable full participation must be provided in their own school setting. For the purpose of the course, teachers will need to deliver a range of programmes related to the learning and teaching of students with special educational needs and/or those requiring learning support.<sup>2</sup> Teachers’ timetables must also include periods during which they are working with small groups of students. Collaborative practices, such as team-teaching, can also form a part of these arrangements.

If the “Education Sector(s)” field is blank, teachers will be required to provide evidence that they have qualifications suitable to teach in either the mainstream post-primary sector or to teach students with special educational needs or students requiring learning support in the post-primary sector.**

Applicants from Post-Primary Schools should have successfully completed their Post Qualification Employment (PQE).

Additional time should also be made available for consultation with parents/guardians and colleagues. Together with work in numeracy, assigned Learning Support hours **must** include at least 4 class periods per week of literacy work (maintaining a focus on developing pupils’ literacy skills related to reading, writing, listening and speaking rather than focusing on language-based subject areas such as History/Geography).

**Resource Teachers**

Applications are invited from recognised second-level schools/centres that have been allocated resource posts or resource hours or officially sanctioned special classes. The person nominated must be a teacher eligible to hold a permanent post in recognised second level schools. Generally, only one application per School/Centre will be considered.

Candidates should note that some institutions require applicants to attend for interview.

It is intended that, on those programmes which accept primary and post-primary teachers, an equal number of places will be allocated to each group but the ratio may be modified in response to demand and local circumstances.
